TO WHOM IT MAY CONCERN

This is to certify that **CHOW NANDA MEMORIAL SCHOOL**, a co-educational school for boarders and day scholars, is located in a suitable place, 100 yard away from national highway. The aforementioned school is offering good first aid facilities to both boarders and day scholars' students. The school atmosphere is quite hygiene with good drainage and sanitary system. Classrooms, hostels, cafeteria and other staffs rooms are well ventilated and spacious.
